## ENGLISHATLARGE

Dear English,

**It is with mixed emotions that I announce my departure from English At Large.**

During the past 7+ years it has been an honor to partner with you in service to local immigrants. What we have come through together - as an organization and as individuals - is remarkable, and stands as testament to the power of the collective energy found at the heart of any community effort.

English At Large is an important organization, and your interest and support will ensure that it remains stable and ready to meet the growing needs of local English learners.

I have valued my time here, and the opportunity to partner with so many individuals and organizations working to make a difference. It is the people I will miss the most.

I know you will make the next Executive Director feel welcome and supported.

Thank you for all you do for English At Large!

Best regards,  
Maureen
